

BFINVER10

Best Fitness Inversion Table

Bf 3 YEAR WARRANTY
3 years on the frame and - 1 year on ALL parts.

BFINVER10

Best Fitness Inversion Table

The Best Fitness BFINVER10 Inversion Table is designed to relieve stress, reduce back pain, increase flexibility and improve your posture by suspending your body's weight in a comfortable, controllable motion.

A strong, stable base supports a comfortably padded nylon backboard. It features a spring-loaded safety strap to ensure stability during inversion. A graduated scale on the extension bar allows simple, fast adjustments to accommodate any size user. For additional comfort, adjustable ankle cuffs provide a custom fit that cannot be achieved with foam rollers common to many inversion tables. Best of all, you can simply pull two pins on the BFINVER10 to collapse and fold it away into any closet.

Dimensions: 61"H x 51"L x 29"W

Special Features

- 3-year Best Fitness in-home warranty
- Padded nylon backboard designed for comfort and breathability
- Spring-loaded safety strap that controls stability and allows you to glide quickly and safely from the upright position to full inversion
- Adjustable ankle cuffs that offer a comfortable, customizable fit for each individual user
- Simple, 2-pin collapse-and-fold design that allows for fast storage in any closet
